

Kings County Hospital Transitions of Care

By signing this, I attest that I have used the I-PASS system at all times when a transition of care needs to happen, as outlined below:

I	Illness Severity	Is the patient 'stable', a 'watcher', or 'unstable'?
P	Patient Summary	<ul style="list-style-type: none"> * Summary statement * Events leading up to admission * Hospital Course * Ongoing Assessment * Plan
A	Action List	<ul style="list-style-type: none"> * To do list * Time line and ownership
S	Situation Awareness, Contingency Planning	<ul style="list-style-type: none"> * Know what's going on * Plan for what might happen
S	Synthesis by Receiver	<ul style="list-style-type: none"> * Receiver summarizes what was heard * Asks questions * Restates key action/to do items

Date:	Consults	Admissions

***** If there is any confusion regarding transitions of care, or if a resident feels that patients are not being transitioned appropriately to their care, it is their responsibility to notify a chief immediately so that the proper action can be taken, whether that be in the form of having a chief present for transitions of care or otherwise. *****
